The diagram illustrates a header file inclusion relationship. At the top is a gray box representing the header file: Libs/Engine/sources/Components/HUD/HUDBonusIcon/HUDBonusIcon.hpp. Below it are two white boxes representing source files. The left box is Libs/Engine/sources/Components/HUD/HUDBonusIcon/HUDBonusIcon.cpp, and the right box is Libs/Engine/sources/EntityFactory/EntityFactory.cpp. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header file.
